- ASSEMBLED and Proudly Made in INDIA !!!
- Uses High quality branded SMD LEDs
- Hand assembled in India using high quality wires and other parts
- Tube has life 50000 hours.
- Instant Light with no delay (Flicker Free)
- High Efficiency & lower power consumption
- Deliver High Brightness & Excellent illumination
- Useful for solar applications
- Easy installation Longer lifespan and stable performance

Technical Specifications:

- Very High Brightness: - 640 to 720 Lumens
- Equal to the light of a 36W CFL
- Color Temperature: 6500K
- Beam Angle: 120 'D
- Dimmable: NO
- Dimensions: Length : 190mm
- High Strength Aluminum Alloy, 5mm High Strength Glass (cover)

Belifal

- Socket type G13
- INPUT VOLTAGE : 12V DC
- INPUT CURRENT : 1.2 A
- EFFICIENCY : >85 %
- POWER FACTOR : >0.95
- WITH CASING
- Dimensions: 4 Feet
- OPEN CIRCUIT PROTECTION
- SHORT CIRCUIT PROTECTION

NOTE:

PLEASE NOTE THAT THIS BULB **CANNOT BE USED IN PLACE OF REGULAR AC BULBS**. THIS BULB WORKS ONLY ON 12V BATTERY.
